FROM:      WILLIAM D. DAR, Ph.D.
            Secretary

SUBJECT:   GUIDELINES ON ENGAGEMENT OF PCAF’S ADVISORY SPECIAL
            BODIES (ASBs)

We are providing you with a copy of the Guidelines on Engagement of PCAF’s Advisory Special Bodies (ASBs) which contains information on policies, processes, structure, membership, roles and functions, activities, outputs and other concerns of the ASBs as instrumentalities composed of volunteers at the regional, provincial, municipal and city levels.

In line with the Department of Agriculture’s twin goals of Masaganang Ani at Mataas na Kita and through the introduction of the new thinking of Agriculture, this was designed to give clear advice and guidance to all ASBs to the terms and conditions of engagement and to create a culture where issues and concerns are acted upon accordingly within the context and spirit of voluntary participation.

The PCAF shall conduct areawide consultations of the approved guidelines from February to March 2020.

For your information and strict compliance.

MEMORANDUM

FOR : THE SECRETARY
Department of Agriculture

FROM : LIZA G. BATTAD, Ph.D.
OIC-Executive Director

SUBJECT : GUIDELINES ON ENGAGEMENT OF PCAF ADVISORY SPECIAL BODIES

The Philippine Council for Agriculture and Fisheries is currently on board in the execution of a value creating strategic shift referred to as Innovative Consultation on Agriculture and Fisheries Policy Reforms and Engagement (iCARE) in line with the New Thinking anchored on the Eight Paradigms to level up Agriculture and Fisheries towards Masaganang Ani at Mataas na Kita.

This PCAF iCARE includes, among others, refocusing PCAF Advisory Special Bodies (ASBs) towards the development of commodity value chain membership and partnerships, thus magnifying their roles in reshaping agriculture and fishery policies to support planned effects on ASB’s profitability, productivity and sustainability.

In line with this, the existing Agricultural and Fishery Council Manual of Operations (AFC-MoO) is hereby revised and expanded to serve as guide on the engagement of PCAF’s advisory special bodies including the creation of Commodity Banner Program Committees to serve as consultative mechanisms for the engagement of commodity industry practitioners and technical experts for policy development, as well as, springboards of ideas, concepts and strategies that aim to boost the performance of the different commodity sectors.

The revised Guidelines is hereto attached for your information and approval.

FOR YOUR CONSIDERATION.

I. INTRODUCTION, RATIONALE AND OBJECTIVES

1.1. Introduction

The Philippine Council for Agriculture and Fisheries (PCAF), as an attached agency serving as the policy advisory and consultative arm of the Department of Agriculture (DA), promotes and facilitates broad-based participatory development mechanisms and processes in the agriculture and fisheries sector through its advisory special bodies (ASBs) – the National Agriculture and Fisheries (NAF) Council and the regional and local Agricultural and Fishery Councils (AFCs).

These mechanisms and processes include conduct of stakeholder consultations, dialogues, and participatory monitoring and tracking of agency accomplishments specifically in the implementation of agricultural and fishery programs and projects.

1.2. Rationale

Participatory development in the Philippines is anchored on the 1987 Philippine Constitution, specifically in Article XIII, Section 16 which provides that... “the right of the people and their organization to effective and reasonable participation at all levels of social, political and economic decision making shall not be abridged. The state shall by law facilitate the establishment of adequate consultation mechanism”.

To operationalize this state policy, government instrumentalities were reorganized thru Executive Order 116, Section S.g. of which states that “The DA shall provide the mechanism for the participation of farmers, fishermen and entrepreneurs at all levels of policy making and in plan and program formulation.” Section 5.h. also provides that “The DA shall coordinate with and/or call upon other public and private agencies for cooperation and assistance on matters affecting the Department’s plans, policies and programs.”

Likewise, Sections 2 and 3 of R.A. 8435 or the Agriculture and Fisheries Modernization Act states that “It is the policy of the state to enable those who belong to the agriculture and fisheries sectors to participate and share in the fruits of development and growth in a manner that utilizes the nations resources” and “The state shall promote people empowerment by enabling all citizens through direct participation or through their elected, chosen or designated representatives the opportunity to participate in policy formulation and decision making by establishing the appropriate mechanisms in giving them access to information.”

In order to have meaningful participation in the agriculture and fisheries sector development, PCAF ensures and promotes multi stakeholder engagement and the spirit of volunteerism. Stakeholders are engaged for them to be able to provide inputs in designing how they can participate, have a say in policies and decisions about actions that could affect their lives or essential environment for which they live and influence the implementation of such policies or decisions.
Volunteerism, on the other hand, enables a diverse range of people, who may not wish or be unable to use more formal avenues of engagement or advocacy, to exercise this right by giving them opportunities to engage with and influence their environment and community. This right is in fact explicitly expressed in Republic Act (RA) No. 9418 also known and cited as the Volunteer Act of 2007 which provides that "it shall be the policy of the State to promote the participation of the various sectors of the Filipino society... in public and civic affairs, and adopt and strengthen the practice of volunteerism as a strategy in order to attain national development ...”

Effective engagement of volunteers especially in public service, however, requires that certain policies be crafted and provided for the development of volunteer programs and management of the operations of volunteer organizations. And since the operations, programs and activities of these entities will be in one way or another be governed by existing laws, policies and protocols; guidelines must be adopted and explicitly articulated to serve as reference in the performance of their duties and functions as well as in the conduct of their operations.

It is in this context that the PCAF crafted this Guidelines on Engagement of the ASBs.

1.3. Objectives

This document is designed to provide information on the policies, processes and procedures adopted by PCAF relative to the organization, structure, membership, roles and functions, activities, outputs and other concerns of the ASBs as partner organizations composed of private sector volunteers and government sector representatives at the national, regional and local levels.

Further, it aims to give clear advice and direction to all volunteer partner organizations to the terms and conditions of engagement and to create a culture where issues and concerns are dealt with fairly and consistently.

In addition, it prescribes the organization and development, at the regional and local levels, of self-reliant and sustainable councils designed to operate within the business context and spirit of voluntary participation. Ultimately, this should redound to the development of a policy environment supportive to the growth of agri-fishery enterprises, increased profitability and the improvement of the lives of members of their respective organizations and communities.

Finally, the Guidelines seeks to provide important information relating to PCAF as an attached agency of the Department of Agriculture, its mandate, vision, mission and statement of principles and quality policy which should also guide all ASB officers and members in the performance of their functions, duties and responsibilities, as well as their rights to participate in development processes in the agriculture and fisheries sector.

All ASB volunteer-partners are, therefore, responsible for reading, understanding, and complying with the provisions of this Guidelines.
II. PCAF MANDATE AND FUNCTIONS, VISION, MISSION, AND STRATEGIC DIRECTIONS

II.1. PCAF Mandate and Functions

The Philippine Council for Agriculture and Fisheries was created out of the consolidation of two agencies under the Department of Agriculture (DA) - the National Agricultural and Fishery Council (NAFC) and the Livestock Development Council (LDC) by the virtue of the approval of the Rationalization Plan on June 26, 2013.

The consolidation of these agencies is pursuant to Executive Order No. 366, Series of 2004 directing a strategic review of the operations and organizations of the Executive Branch and providing options and incentives for government employees who may be affected by the rationalization of the functions and agencies of the Executive Branch.

II.1.1. Mandates

Based on the approved rationalization plan, all functions of the NAFC and the LDC were transferred to PCAF. The intention here is to pursue a “functional and holistic” rather than a “sectoral” approach in dealing with agricultural and fisheries issues and concerns.

Since the NAFC and LDC functions and mandates are anchored on the following legal issuances, PCAF assumes the same mandates:

**EO 116 mandated the NAFC to:**

Act as advisory body to the Department of Agriculture (DA) to ensure the success of its programs and activities; and

Establish nationwide network of agricultural and fishery councils to serve as the forum for consultative and continuing discussions within agriculture and fisheries sectors.

By virtue of **DA Administrative Order No. 6 or the Implementing Rules and Regulations of RA 8435**, the NAFC (now PCAF) serves as Secretariat to the National Agriculture and Fisheries Council (NAF Council) which is mandated to:

Assist the DA in the broad-based monitoring and coordination of the agriculture and fisheries modernization process; and

Serve as integrative and consultative structure for inter-agency and inter-sectoral collaboration in agriculture and fisheries modernization.
PD 914 mandated LDC to:

Serve as the policy-making body for the livestock and poultry sector of the DA.

II.1.2. Functions

Based on the above mandates and as stipulated in the approved rationalization plan, PCAF has the following functions:

1. Serve as DA's focal agency in private-public partnership in policy development;
2. Serve as consultative/feedback mechanism on the policies, plans and programs of the DA;
3. Monitor agriculture and fishery programs of all government agencies;
4. Assist the DA in advocacy work among concerned government agencies;
5. Serve as secretariat agency of the NAF Council; and
6. Provide technical leadership, guidance and support for the continued development of the nationwide network of AFCs and the NAF Council not only as consultative networks, but as partners in the execution of agency functions.

II.2 PCAF Vision, Mission, Statement of Principles and Strategic Directions

II.2.1. Vision

PCAF envisions an apex policy-making body with strong, vibrant and visible private sector partners responsible for the attainment of a conducive policy environment towards a globally competitive and sustainable agriculture and fisheries sector.

II.2.2. Mission Statement

PCAF’s mission statement defining its core purpose and focus is as follows:

“In partnership with its consultative bodies and other agriculture and fisheries stakeholders, we will zealously promote and strengthen capacities in participatory and collaborative governance.

Working together, we will uphold multi-stakeholder engagement, transparency and accountability in policy and program development processes for the agriculture and fisheries sector.

Together, we will work with others to create a better and brighter future for the agricultural and fishery communities.”

II.2.3 Strategic Directions

Pursuant to the above mandates and in the preparation and attainment of its plans and major final output targets together with the AFCs, PCAF is guided by strategic directions set forth as follows:
a) Enhance responsiveness and relevance of priority policies and programs in the agriculture and fisheries sector through participatory mechanisms and processes;
b) Ensure that consultative bodies are actively engaged in shaping national and local agriculture and fishery development agenda;
c) Scale-up access and availability of knowledge products for key stakeholders in all levels;
d) Build client-focused, high performing working teams in PCAF; and
e) Gain recognition as strategic advisor, technical leader and resource linker for agriculture and fishery issues and concerns.

II.2.4. Statement of Principles

PCAF’s statement of principles which defines its beliefs and intentions as a public sector entity is as follows:

“We, the officials and associates of PCAF, commit to performance excellence.

We will always think of what is always good for our clients and stakeholders. We will work with passion, driven with a sense of urgency, as we strive to be client-focused and results-oriented.

We will continuously uphold the good name, credibility and reputation of PCAF.

Integrity, transparency and fairness will be the cornerstones of our work.

We will maintain clarity and consistency in implementing policies/guidelines and in delivering seamless transactions.

We value, nurture and reward creativity, innovation and continuous improvement.

We will open up opportunities that will enhance receptiveness to change, willingness to take risks or accept new tasks/responsibilities, and apply new learnings.

As we move from our comfort zones to our courage zones, we will inspire, support and encourage each other.

Working together as partners and as responsive and dedicated public servants, we will create a caring and nurturing organization anchored on trust, mutual respect, humility and fairness.

Above all, we will cherish and sustain a God-filled, harmonious and fulfilling working environment.”
III. ORGANIZATION, COMPOSITION AND ORGANIZATIONAL SET-UP & LINKAGES

III.1. Organization

III.1.1. NAF Council and Special Budget Committee

At the national level, the NAF Council serves as the highest mechanism for agriculture and fisheries consultation and dialogue between and among government agencies, local government units (LGUs), private entities, including non-government organizations, and people's organization.

Under the Council is a Special Budget Committee (SBC) organized to facilitate better resource allocation based on the needs of the agriculture sector as well as promote greater transparency and accountability.

III.1.2. National Banner Program Committees

To mainstream private sector participation in line with the priority thrusts of the DA and ensure commodity policy agenda-based consultations, monitoring and feedback in the implementation of DA banner programs, National Banner Program Committees for each specific commodity under each commodity sector or Program shall be established and institutionalized.

Activities of each of the Committees shall be facilitated and coordinated by PCAF and supported by the DA Banner Programs Directorates.

III.1.3. Agricultural and Fishery Councils - At the regional, provincial, city and municipal levels, the AFCs shall be organized as follows:

1. Regional Agricultural and Fishery Council (RAFC);
2. Provincial Agricultural and Fishery Council (PAFC);
3. Highly Urbanized City Agricultural and Fishery Council (HUCAFC);
4. Independent Component City Agricultural and Fishery Council (ICCAFC);
5. City Agricultural and Fishery Council (CAFC); and
6. Municipal Agricultural and Fishery Council (MAFC).

Each AFC level shall have an Executive Committee and Five Sectoral Committees as follows:

1. Committee on Rice and Corn
2. Committee on High Value Crops
3. Committee on Poultry, Livestock and Feed crops
4. Committee on Fisheries and Aquaculture
5. Committee on Agricultural and Fishery Mechanization
Creation of sectoral committees at the Municipal/City level is optional i.e. it depends on the prevailing or available commodity sector in the area.

III.1.4. Pool of Experts

The PCAF shall maintain pool of experts which can be tapped, through a partnership agreement, during banner program committee meetings, regional sectoral consultations and other meetings facilitated.

III.2. Composition of ASBs

III.2.1. NAF Council

The NAF Council shall be composed of the Agriculture Secretary as Chairperson, Undersecretary for Policy and Planning and Undersecretary for Operations as Vice Chairpersons, and Heads or designated representatives of rank not lower than Assistant Secretary, of the following entities:

1. Commission on Higher Education,
2. Department of Agrarian Reform,

7. Department of Interior and Local Government,
8. Department of Labor and Employment,
9. Department of Public Works and Highways,
10. Department of Science and Technology,
11. Department of Social Services and Development,
12. Department of Trade and Industry,
13. Department of Transport and Communications,
14. National Economic and Development Authority,
15. Technical Education and Skills Development Authority.

NAF Council members from the private sector shall include Chairpersons or representatives of the following:

16. League of Provincial Governors
17. League of City Mayors
18. League of Municipal Mayors
19. Five selected Regional Agricultural and Fishery Councils,
20. Fisheries and Aquatic Resource Management Council, and
21. Key, duly organized and registered national associations of farmers, farm women, fisherfolk and concerned POs and NGOs

Criteria for private sector membership to the NAF Council are as follows:
1. Duly organized and registered national associations/organizations,
2. Presence of organizational structure with active national and local leadership,
3. Must be in existence for at least two years and should be actively involved in the agricultural and fishery policy advocacy or implementation of agricultural and fishery development programs, projects or activities, and
4. Represents a broad membership base or affiliations.

They shall be appointed by the Secretary for one year, with option for reappointment.

PCAF, as secretariat agency of the Council, shall endorse a short list of private sector members to the Secretary and NAF Council Chairperson-Coordinator for approval.

**NAF Council Special Budget Committee**

The Special Budget Committee (SBC) shall be composed of the Undersecretary for Policy and Planning as Chairperson and a Vice Chairperson from the private sector.

SBC members include representatives from DAR, DENR and DBM and representatives from the private sector as follows:

1. Selected Chairpersons or representatives of the Regional Agricultural and Fishery Councils (representing Regional Sectoral Committees)
2. Representatives of concerned civil society organizations (per DBM National Budget Memorandum No. 109, Series of 2011.)

**III.2.2. National Banner Program Committees**

The National Banner Program Committees shall be composed of the Heads of the DA Banner Program Directorates as Chairpersons and the following as members:

1. DA Banner program focal person or representative
2. Commodity program representatives from the private sector engaged in the commodity value chain systems (not to exceed 5 per commodity), and
3. Representative from the DA Technical Advisory Group

**III.2.3. Agricultural and Fishery Councils**

AFCs shall be composed of:

1. Private sector organizations in agriculture and fisheries preferably involved in more than one stage in or phase of the value chain system. These include youth, business and allied industries and services.

   Membership representation in the AFCs should come from a majority of private sector organizations engaged in the value chain system.

2. Concerned agencies from the government sector which include the representatives of the DA Banner and other Programs from the DA Regional Field Offices, representatives from DA attached agencies, bureaus and
corporations, and representatives from other national government agencies, LGUs and the academe. (Annex A)

3. Any individual with expertise in agricultural and fishery including allied industries and services can become a member, provided he/she is not a member of any organization already represented in the Council. (e.g. former Chairpersons of the Council, professionals, entrepreneurs, etc.) and willing to share his/her time, talent and resources to champion agricultural and fishery development.

**AFC Executive Committees** - The Executive Committee of the RAFCs, PAFCs and MAFCs or CAFCs shall be composed of the following:

1. Chairperson (private sector)
2. Co-Chairperson (government sector)
3. Vice Chairperson (private sector)
4. Treasurer (private sector)
5. Sectoral Committee Chairpersons - as members

**AFC Sectoral Committees**

**Composition of Private Sector Members** of the AFC Sectoral Committees shall be as follows:

1. Regional Sectoral Committees - shall be composed of Chairperson, Vice-Chairperson, Representatives of Region-wide Sectoral Organizations and Representatives from Provincial Sectoral Committees
2. Provincial Sectoral Committees - shall be composed of Chairperson, Vice-Chairperson, Representatives of Province-wide Sectoral Organizations and Representatives from Municipal or City Sectoral Committees
3. Municipal or City Sectoral Committees - if created, shall be composed of Chairperson, Vice-Chairperson and Representatives of Municipal or City-wide Sectoral Organizations.

**Regular Government Sector Members** for each AFC Sectoral Committee shall be as follows:

**At the Municipal/City/Provincial Level**

1. For Rice and Corn - Focal Persons for Rice and Corn (white) Programs
2. For High Value Crops - Focal Persons for HVCD and Organic Agriculture Programs
3. For Poultry, Livestock and Feed Crops - Focal persons for Livestock and Corn (yellow) Banner Programs, or Provincial veterinarian, or designated livestock technician and meat inspector;
4. For Fisheries and Aquaculture - Focal Person for Fisheries Program
5. For Agriculture and Fishery Mechanization - Focal Persons designated by the LGU
At the Regional Level

1. For Rice and Corn - Focal Persons for Rice and Corn (white) Programs
2. For High Value Crops - Focal Persons for HVCD and Organic Agriculture Programs
3. For Poultry, Livestock and Feed Crops - Focal persons for Livestock and Corn (yellow) Banner Programs, or designated livestock technician and meat inspector
4. For Fisheries and Aquaculture - Focal Person for Fisheries Program
5. For Agriculture and Fishery Mechanization - Focal Persons from RAED

In areas where there are Fisheries and Aquatic Resources Management Council (FARMC), their authorized representative shall automatically be a member of the Committee on Fisheries and Aquaculture.

Other concerned government agencies as enumerated in Annex A will serve as resource persons in an on-call basis.

III.2.4. Pool of Experts

Pool of experts shall be composed of technical professionals and policy specialists from national and international agricultural and fishery agencies and organizations, the academe and research institutions, multinational corporations, and other relevant entities as enumerated in Annex B.

III.3. Organizational Set-Up and Linkages

Figure 1. Linkages of PCAF and ASBs
The above structure shows the linkages between and among PCAF Advisory Special Bodies.

PCAF serves as the unifying structure between and among the NAF Council, NAF Council Special Budget Committee and the DA Banner Program Committees. As secretariat agency to these consultative and advisory bodies, PCAF ensures that they perform their mandated functions in sync with the overall thrusts and priorities of the DA relative to the needs and aspirations of the stakeholders of the agriculture and fisheries sector.

In terms of PCAF with the AFCs, these linkages can be exemplified or concretized in terms of the conduct of sectoral consultations and monitoring of programs and projects.

As far as sectoral consultation is concerned, the top-down linkages are manifested in the agenda setting process. PCAF, in coordination with the DA, other national government and oversight agencies, normally sets the policy agenda for and strategic directions of the agency. The national policy agenda developed as well as the strategic directions which are translated into organizational agenda for action are cascaded down to the regional and local levels. These serve as guide to the AFCs in setting their respective development agenda and organizational agenda for action which will be discussed in their council meetings.

On the other hand, the AFC Sectoral Committees shall tackle issues relative to these agenda as well as other policy concerns affecting their respective areas or sphere of influence. All outputs of the Sectoral Consultation shall be endorsed to their respective Executive Committees for consolidation and submission to the higher level AFCs and PCAF and/or endorsement to the DA Secretary and to other concerned agencies. However, unresolved issues and concerns at their levels shall be elevated to the next higher level AFC Sectoral Committees. This process constitutes the bottom-up approach.

Similarly, the above linkages can also be illustrated in terms of monitoring functions and activities. The top-down process is exemplified in the issuance of monitoring guidelines to the AFCs which serve to set the parameters in the conduct of monitoring activities. The bottom-up process, on the other hand, is demonstrated in the submission of monitoring reports which serve as feedback on the results of the activities undertaken by the AFCs. These reports shall be endorsed to the higher level AFCs for consolidation and ultimately for submission to PCAF.

Essentially, these monitoring accomplishment reports shall serve as bases of discussion or inputs to consultations and development of policy recommendations towards the crafting of relevant national policies to address the needs, issues and concerns of the stakeholders. Again, policies crafted shall be cascaded down to the regional and local levels through the AFCs. This policy development cycle continues and works its way through the linkages between and among the PCAF, Regional and Local AFCs.

Figures 2 and 3 below presents the organization of the AFCs at different levels and showing how the Executive Committees and Sectoral Committees as integral parts of the AFCs, relate from one level to the other.

Essentially, it shows the relationship in terms of representation at the sectoral committees i.e. Regional Sectoral Committees are formed in part by PAFC sectoral representatives.
Provincial Sectoral Committees, in turn, are formed in part by MAFC/CAFC sectoral representatives. Municipal and City AFCs may create their own Sectoral Committees if they deem necessary and feasible based on available sectoral concerns and representation in their respective localities. Otherwise, their sectoral representatives to the PAFC may be selected from among the MAFC/CAFC officers or members affiliated to a specific commodity sector.

IV. ASB ROLES AND FUNCTIONS

IV.1. Role of the NAF Council

The NAF Council sets the goals and defines the scope of the country's agriculture and fisheries policies, plans, and programs.

It also serves as the integrative and consultative structure for inter-sectoral collaboration in the activities arising from Republic Act 8435 and assist the Department in broad-based monitoring and coordination of the agricultural and fisheries modernization process.

IV.2. Role of the National Banner Program Committees

The National Banner Program Committees shall serve as consultative mechanisms for policy development, program implementation, monitoring and feedback of the DA Banner Programs to ensure that private sector participation is institutionalized and at the same time aligned with the DA strategic thrusts and priorities.

They will also act as venues for the immediate and continuing discussions of commodity and industry, as well as, emerging issues and concerns affecting the various commodity sectors.

Finally, these committees shall serve as springboards of ideas, concepts and strategies that aim to boost the performance of their respective commodity sectors.

IV.3. Roles of AFCs – The AFCs shall have the following roles:

At the regional and local levels, AFCs take on the general role of being the frontline mechanisms for private sector participation in the agricultural and fisheries enterprise development initiatives and processes, thereby intensifying the building of entrepreneurship culture among farmers and fisher-folk.

Specifically, AFCs as participatory mechanisms shall have the following roles:

1. Advisory bodies of the DA and LGUs to ensure the success of agricultural and fishery programs and projects especially enterprise development initiatives towards higher productivity and increased income;
2. Focal entities of government and private sector partnership for the continuing discussion of development problems, issues and concerns facing the agriculture and fisheries sector with the ultimate aim of finding solutions, giving policy/program recommendations and facilitating feedback and information flow within the sector; and
3. Consultative, integrative, coordinative and monitoring bodies for regional and local agricultural and fishery commodity value chain initiatives.
IV.4. Functions of the NAF Council

1. Monitor and promote transparency for coordination, the programs of the various government agencies toward agricultural and fisheries modernization in research, technology extension, production, stabilization, distribution, marketing and processing of food, feed and other crops, fisheries, aquaculture and animal products and the conservation and proper utilization of natural resources,

2. Serve as the consultative/feedback mechanism between and among the Department, other government agencies, private entities, farmers’ and fisherfolk’s groups, POs and NGOs, for the collaborative establishment of the goals and scope of the country’s food, agriculture and fisheries policies, plans and programs,

3. Assist the Department obtain inputs and commitments of Secretaries and Heads of National Agencies in unifying the delivery of services in agriculture and fisheries,

4. Assist the Department in mobilizing, monitoring and evaluation of the contributions of the different agencies toward the policies, plans and programs for agriculture and fisheries modernization,

5. Promote consensus on the support for national agency and LGU budgets to finance programs and projects for agricultural and fisheries modernization

6. VIII.2 Guiding Principles, Code of Ethics and Professional Conduct

VIII.2.1. Guiding Principles

The ASBs shall assume and/or be guided upon by PCAF mandates, functions, vision, and mission.

In addition, and in the spirit of participatory governance, the ASBs shall also be guided by the following principles: broad based participation, private sector-led development, sustained volunteerism, shared vision, efficiency and effectiveness, transparency, accountability, integrity, responsiveness and adherence to the rule of law.
VIII.2.2. Code of Ethics and Professional Conduct

The ASBs shall commit to good governance, political neutrality, nationalism, and patriotism, professionalism and excellence.

Likewise, the ASBs shall adhere to the quality policy of PCAF as follows:

"The Philippine Council for Agriculture and Fisheries commits to ensure broad-based policy development and coordination processes, participatory monitoring and tracking services and active engagement of all stakeholders in the agriculture and fisheries sectors.

We endeavor to enhance responsiveness and relevance of priority policies and programs in the agriculture and fisheries sector through participatory mechanisms and processes; ensure that advisory special bodies are actively engaged in shaping national and local agriculture and fishery development agenda; scale-up access and availability of knowledge products for key stakeholders in all levels; build client-focused, high performing working teams in PCAF; and gain recognition as strategic advisor, technical leader, and resource linker for agriculture and fishery issues and concerns.

We commit to good governance, professionalism, excellence, and continual improvement of the quality management system."

VIII.3.1. Resignation

Any officer or member representative who wishes to resign from the Council shall file a resignation letter thirty (30) days prior to the effectivity date.

Any officer or member representative from all levels is automatically resigned upon filing of candidacy for any government elective position.
